REFUND POLICY

Claims for a refund of course fees will not normally be considered other than when a course is cancelled by the College. In the case of closure, the College will make every effort to offer an alternative provision, but where this is not possible, fees will be refunded as follows:

1. Closure of course within the first two weeks – full refund.
2. Closure of course after two weeks – refund *pro-rata*.

If you have to withdraw for medical reasons, consideration will be given to refunding fees on receipt of an explanatory letter.

PLEASE NOTE: The College reserves the right to amend or alter information contained in this brochure, including course details, fees and course length, at any time. Classes may be closed, shortened or combined, depending on enrolment numbers.

Class fees are based on the enrolment of 12 students (excluding day workshops). It may be possible for classes to continue with fewer students by the College decreasing the length of the course.

We have used our best efforts to ensure that all the information provided in this brochure was accurate at the time of publication. Some changes to our course offering may need to take place from time to time and our website will be updated regularly to reflect any updates or amendments wherever possible.
