Art and Design Level 2 Diploma

Welcome to **Art and Design Level 2 Diploma**. In preparation for the start of the course, please complete these tasks and have them with you to hand in during your first week of college in September.

Task 1: Imaginative Drawing Challenge

Drawing inspiration from the beauty of nature that surrounds you, create an imaginative drawing that tells a story. If you're the outdoorsy type, venture out into nature with your sketchbook or digital tablet in hand. See yourself as more of a homebody? Doodle with your favourite houseplant! Use your imagination to create an image that shows your drawing skills and creative thinking.

Drawings can be in any medium you like (pencil, coloured pencils, paint, pens, digital drawing etc.) and should be A4 in size. Spend at least 1 hour drawing.
