Health and Social Care Level 2 Award

Welcome to **Health and Social care Level 2 Award**. In preparation for the start of the course, please complete these tasks and have them with you to hand in during your first week of college in September.

These tasks should take you approximately four and a half hours to complete and are designed to give you an introduction to the subject, and the expectations we have for you to complete at least four and a half hours of independent study, per subject, per week.

Task one:

Use the following links to BBC Bitesize and read all about lifespan development. Try to see if you can complete the quizzes at the end!

<https://www.bbc.co.uk/bitesize/guides/zkmpwty/revision/2>

Task two:

Look at the website about the “6C’s” when working in Health and Social care. Start to think about why we should use these values when working in a Health and social care setting and write down 300 words concerning the importance of the 6C’s.

Task three:

Take the NHS quiz to find out what career you may want to go into after you have completed your qualifications. Write 500 words on what roles and responsibilities would you have to undertake in this role?
