Freshers' Day 2024

Welcome to Freshers' Day at Brock

- We want you to have a great day and see what it is like to be a Brock student.
- The most important thing is to try out your subjects – find out as much as you can.
- Questions? Ask as many as you like. We are here to help.

We are so pleased you have chosen Brock

- Brock is the ideal stepping-stone between school and post-18 education, training and employment.
- You will be taught by specialist post-16 teachers who are skilled in supporting students to aim for excellent results.
- We will also support you to develop the skills and characteristics you will need to be successful when you leave Brock.

What today looks like...

- You have a Freshers' Day timetable that gives you a chance to try out your course choices.
- If you have any questions about the timetable, go to Brock Hub after this session.

What today looks like...

- Your subject lessons start at **9:30am**.
- One of the slots on the timetable gives you a chance to visit our Freshers' Fair in Brock Hub and on the lawn.
- **A Level** students can use the Taster Session slot to try out another subject. See the flyer you have been given.
- The day finishes at **12:50pm**.
- Buses will leave at **13:00pm**.

Trying your subjects

- It is important that you feel confident in the subject choices you have made.
- If you want to make any changes, please visit one of our Progression Advisors in Brock Hub. There will also be a chance for you to tell us during the last tutorial session of the morning.

Freshers' Day Activities

There is lots for you to try today. Look at your map to see locations for the following activities:

- Volleyball and table tennis.
- Photobooth and garden games.
- Tea and chat.
- Pastoral team drop-ins.
- Careers advice.
- Enrichment stand.

We are here to help

- Our staff are here to help in any way they can - just ask.
- Student Ambassadors (wearing bright blue t-shirts) can point you in the right direction, offer advice, and generally make you feel at home.
- Visit Brock Hub for answers to any questions about courses.
- Finance and travel questions can be answered by the team in Brock Hub.

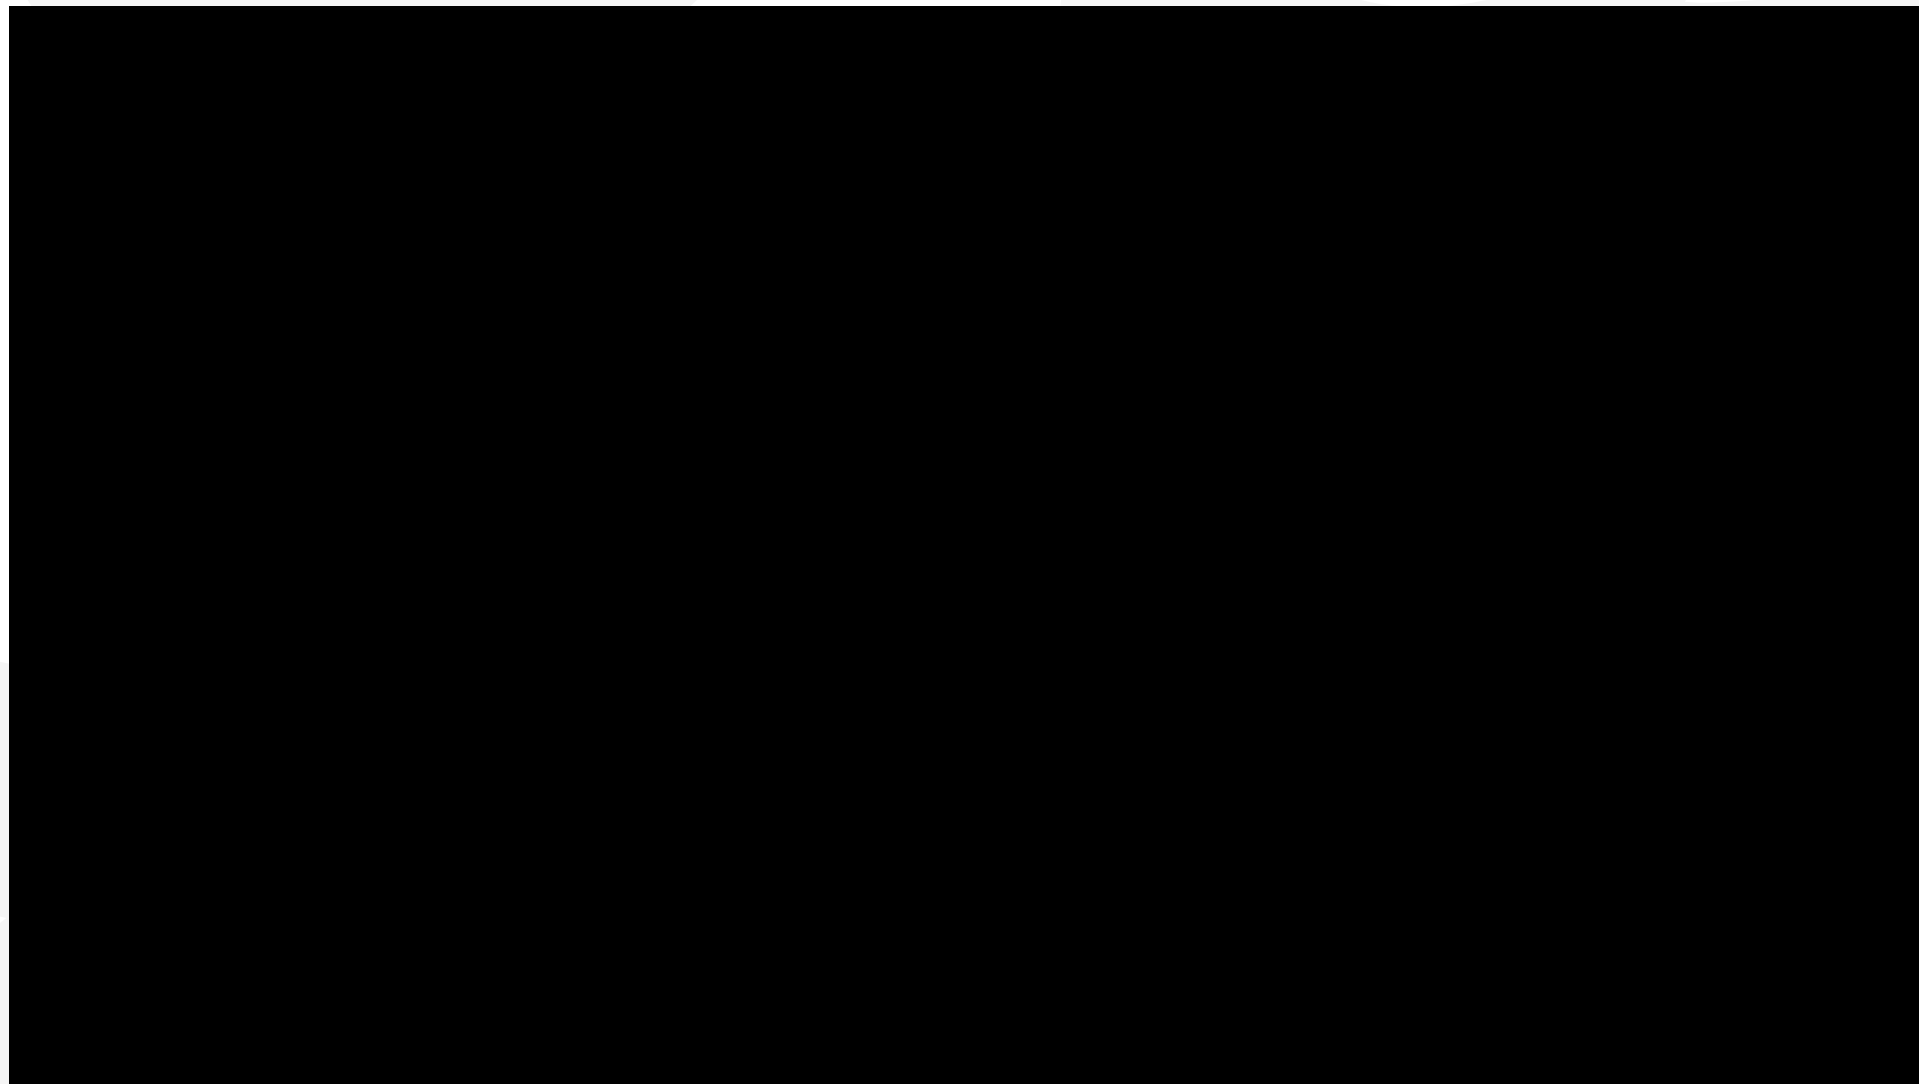

Life as a Brock student

- Timetables are different to school.
- You will have Study Periods throughout the week when you do not have lessons. You should use these to study independently, putting in as much effort outside each lesson as you do inside each lesson.
- You may leave the campus and go into the village during your breaks if you wish.
- Attendance is important for success at college - we expect 100% attendance.
- You can call teachers by their first name (although on some courses it is still Sir/Miss).
- Enjoy the surroundings.
